POS534

The POS534 brings together diverse POS functionality into a compact, versatile, single unit design.

The fanless All-in-One POS534 combines a 14" PCAP touchscreen with an integrated 80mm receipt printer to create a versatile all-in-one PoS system suitable for a range of retail environments.

Ideal for retail environments where space is limited, the POS534 is designed to be compact while retaining maximum functionality. In addition to the integrated 80mm receipt printer, optional peripherals can be integrated to the system – including iButton, MSR and SCR functionality.

The touchscreen technology that drives the unit is designed with efficiency in mind – low power consumption ensures the POS534 is economical and full PCAP technology ensures the touchscreen is highly responsive.

From a software perspective, the POS534 seamlessly supports existing Windows PoS software – reducing development time and easing any software burdens.

Features

- Efficient Intel Baytrail Celeron J1900 2.4GHz processor
- Integrated 80mm receipt printer
- 14" PCAP touchscreen
- IP54 Water Resistance (front of display)
- Optional integrated Secondary Display (2 x 20 LCM or 10.1" non-touch), MSR and SCR peripherals
- Support for an array of Windows operating systems

Box POS534		
Motherboard	Processor	Intel Baytrail Celeron J1900 2.4GHz
	RAM	1x DDR3 SO-DIMM 2GB (8GB max)
	Storage	32GB SSD
Touch Panel	Size/Type	14" TFT-LCD
	Touch Screen	P-CAP
	Brightness	200 nits
	Resolution	1366 x 768
Expansion	Mini PCI-E Slot	1
I/O Ports	USB	5 x USB2.0
	Serial	3 x RJ48 (Powered RS232) (default 0V; COM1, COM2 0V/5V; COM3 0V/12V)
	LAN	1 x RJ45
	Cash Drawer	1 x RJ11 (12V/24V)
	DC Jack	1 x 4 pin w/lock
Audio	Internal Speaker	2 x 2W (optional)
Power	Power Adapter	120W/19V
Control/Indicator	Printer Feed Button	1
	Printer LED Indicator	3 (Paper, Error, Power)
